In space in front of me is a large jeweled throne supported by eight great lions, on top of which is a seat of a variegated lotus, and moon and sun mandalas. On top of this sits the essence of my own root Guru in the aspect of the conqueror, Shakyamuni Buddha. The color of his holy body is the purest gold, and he has an ushnisha on the top of his head.

Shakyamuni Buddha has one face and two arms. His right hand is in the mudra of controlling the earth, and his left is in the mudra of concentration, holding an alms bowl full of nectar. He is wearing the saffron robes of a monk and is adorned by the signs and exemplifications. His holy body is in the nature of transparent light, and he sits in the vajra posture in the center of an aura of light rays.

Surrounding him are the direct and indirect gurus, yidams, buddhas, bodhisattvas, heroes, dakinis, and hosts of Dharma protectors and guardians. In front of each of these holy beings, on a faultless throne, sits the Dharma explained by them in the form of texts having the nature of light. All of these beings in the merit field are in the aspect of being pleased with me. By remembering their qualities and kindness, I feel great devotion toward them.

From beginningless time until now, I and all mother sentient beings have been experiencing the various general sufferings of samsara numberless times, especially the sufferings of the evil-gone realms. Still it is difficult to see the end of samsara, to see the depth of suffering. At this time I have received a perfect human rebirth, qualified by the eight freedoms and ten richnesses, which is difficult to find, but once found is highly meaningful. It can be used to attain a good future rebirth, liberation, and even enlightenment.

Now, after having met the precious teachings of the Buddha, which are so difficult to meet, [and the holy virtuous friend who reveals the complete unmistaken path,] if I do not try to attain the most sublime state of full enlightenment – which is beyond the state of peace and all samsaric sufferings – I will have to experience the general sufferings of samsara and the particular sufferings of the three lower realms over and over again.

Who has the power to protect me from these sufferings? Only the Guru and the Three Rare Sublime Ones abiding in front of me. I must achieve enlightenment for the benefit of all mother sentient beings. Therefore, I am going to take refuge in my Guru and the Three Rare Sublime Ones.

Taking Refuge

LC 2 RAB KAR GE SEM CHHEN PÖI NGANG NYI NÄ
From the state of an exalted white virtuous mind,
DAG DANG KHA NYAM MA GÄN SEM CHÄN NAM

From this moment until our supreme enlightenment
LA MA KÖN CHHOG SUM LA KYAB SU DRO
Take refuge in the Guru and the Three Rare Sublime Ones.

As you recite the lines of taking refuge below, during the first half of your recitation think that you are purifying mistakes, and during the second think that you are receiving blessings. When performing the *Lama Chöpa* in a simple way, **LC 3** is generally recited three times.

LC 3 NAMO GURUBHYA (LA MA LA KYAB SU CHHI O)

I take refuge in the Guru.

NAMO BUDDHAYA (SANG GYÄ LA KYAB SU CHHI O)

I take refuge in the Buddha.

NAMO DHARMAYA (CHHÖ LA KYAB SU CHHI O)

I take refuge in the Dharma.

NAMO SANGHAYA (GE DÜN LA KYAB SU CHHI O)

I take refuge in the Sangha. (3, 7, 21, or 108x)

Optional additional line of refuge:

LA MA YI DAM KÖN CHHOG SUM LA KYAB SU CHHI O (3x)

**I take refuge in the Guru, the yidam, and the Three
Rare Sublime Ones.** (3x)

For **LC 4**, turn to p. 11.

Taking Refuge and Generating Bodhichitta (from Jorchö)

SANG GYÄ CHHÖ DANG TSHOG KYI CHHOG NAM LA

JANG CHHUB BAR DU DAG NI KYAB SU CHHI

In the Buddha, the Dharma, and the Supreme Assembly.

By my merits of generosity and so forth,

DRO LA PHÄN CHHIR SANG GYÄ DRUB PAR SHOG (3x)

May I become a buddha to benefit transmigratory beings. (3x)

A replica of Shakyamuni Buddha absorbs into you, and you are transformed into Shakyamuni Buddha. Light rays radiate from you; they bless and enlighten all sentient beings, transforming them into the aspect of Shakyamuni Buddha. Feel great joy. Then, realizing that this is just your projection, as all sentient beings still have delusions in their minds, generate the four immeasurable thoughts.

The Four Immeasurable Thoughts (from Jorchö)

Recite three times through or recite each verse three times.

Immeasurable Equanimity

SEM CHÄN THAM CHÄ NYE RING CHHAG DANG DANG DRÄL WÄI TANG
NYOM LA NÄ NA CHI MA RUNG

How wonderful it would be if all sentient beings were to abide in equanimity, free from the closeness of attachment and the distance of hatred.

NÄ PAR GYUR CHIG

May they abide in equanimity.

NÄ PAR DAG GI JA O

I myself will cause them to abide in equanimity.

DE TAR JE NÜ PAR LA MA LHÄ JIN GYI LAB TU SÖL

Please, Guru-Deity, bless me to be able to do this.

Meditate briefly on *tonglen*, taking on all the disturbing emotions of sentient beings and giving them to your self-cherishing thought, thus destroying it.

Immeasurable Loving Kindness

Lama Zopa Rinpoche replaces the original words “to have happiness and the causes of happiness” with “to achieve buddhahood,” because “happiness” tends to bring to mind temporary samsaric happiness, whereas what sentient beings actually need is enlightenment.³ For the original version, see below.

SEM CHÄN THAM CHÄ SANG GYÄ KYI GO PANG DANG DÄN NA CHI
MA RUNG

How wonderful it would be if all sentient beings were to achieve buddhahood.

DÄN PAR GYUR CHIG

May they achieve buddhahood.

DÄN PAR DAG GI JA O

I myself will cause them to achieve buddhahood.

DE TAR JE NÜ PAR LA MA LHÄ JIN GYI LAB TU SÖL

Please, Guru-Deity, bless me to be able to do this.

The original version:

SEM CHÄN THAM CHÄ DE WA DANG DE WÄI GYU DANG DÄN NA CHI

**How wonderful it would be if all sentient beings were to have
happiness and the causes of happiness.**

DÄN PAR GYUR CHIG

DÄN PAR DAG GI JA O

I myself will cause them to have happiness and its causes.

DE TAR JE NÜ PAR LA MA LHÄ JIN GYI LAB TU SÖL

Please, Guru-Deity, bless me to be able to do this.

Meditate briefly on tonglen, transforming your body into a wish-granting jewel that gives every sentient being every kind of temporary and ultimate happiness that they desire and need.

Immeasurable Compassion

SEM CHÄN THAM CHÄ DUG NGÄL DANG DUG NGÄL GYI GYU DANG

**How wonderful it would be if all sentient beings were free

I myself will cause them to be free from suffering and its causes.

DE TAR JE NÜ PAR LA MA LHÄ JIN GYI LAB TU SÖL

Please, Guru-Deity, bless me to be able to do this.

Meditate briefly on tonglen, taking upon yourself all the suffering and causes of suffering of all sentient beings.

Immeasurable Joyfulness

SEM CHÄN THAM CHÄ THO RI DANG THAR PÄI DE WA DAM PA DANG

How wonderful it would be if all sentient beings were never separated from the happiness of higher rebirth and liberation.

Mi DRÄL WAR DAG GI JA O

I myself will cause them never to be separated from these.

DE TAR JE NÜ PAR LA MA LHÄ JIN GYI LAB TU SÖL

Please, Guru-Deity, bless me to be able to do this.

Meditate briefly on tonglen, giving all your past, present, and future merits and their results, including enlightenment, to all sentient beings.

LC 4 MA SEM CHÄN KÜN GYI DÖN GYI CHHIR

Meditate here on generating special bodhichitta in order to enter into the practice of tantra.

The profound path of Guru-Deity yoga. (1x or 3x)

Bath Offering (from Jorchö)

Imagine that offering goddesses, holding vases of nectar, emanate from your heart. They offer an ablution to the reflection of the merit field in the mirror, whereby all your negative karmas, obscurations, and so forth are purified. Renewing the Bodhisattva and Tantric Vows

(from Heruka Lama Chöpa)¹¹

Renewing the Bodhisattva Vows

According to Lama Zopa Rinpoche, if you have not yet done the *Prostrations to the Thirty-Five Confession Buddhas*, it must be recited here. Omit the “Homage and Mantras to Increase Merit” and begin with “Taking Refuge.” There is no need to do actual prostrations. Conclude with the “Confession Prayer” and “General Confession.”

Then those who have already taken the bodhisattva vows can renew them. Generate a good motivation by thinking, for example:

“The purpose of my life is not just to attain happiness for myself alone, but to free the numberless sentient beings from the oceans of samsaric suffering and its causes and bring them to full enlightenment. In order to do that, I need to achieve enlightenment, and in order to do that I need to generate bodhichitta. But generating bodhichitta alone is not enough, I also need to take the bodhisattva vows and keep them pure. Therefore, I’m going to retake the bodhisattva vows.”

KÖN CHHOG SUM LA DAG KYAB CHHI

I take refuge in the Three Rare Sublime Ones.

DIG PA THAM CHÄ SO SOR SHAG

I confess all my negative actions individually.

DRO WÄI GE LA JE YI RANG

I rejoice in the virtues of transmigratory beings.

SANG GYÄ JANG CHHUB YI KYI ZUNG

I keep in mind a buddha’s enlightenment.

SANG GYÄ CHHÖ DANG TSHOG CHHOG LA

I take refuge until I am enlightened

JANG CHHUB BAR DU DAG KYAB CHHI

In the Buddha, the Dharma, and the Supreme Assembly.

RANG ZHÄN DÖN NI RAB DRUB CHHIR

In order to fulfill the aims of myself and others

JANG CHHUB SEM NI KYE PAR GYI

I will generate bodhichitta.

JANG CHHUB CHHOG GI SEM NI KYE GYI NÄ

Having generated supreme bodhichitta,

SEM CHÄN THAM CHÄ DAG GI DRÖN DU NYER

I will invite all sentient beings to be my guests.

JANG CHHUB CHÖ CHHOG YI ONG CHÄ PAR GYI

**I will undertake the pleasing, supreme conduct
of enlightenment.**

DRO LA PHÄN CHHIR SANG GYÄ DRUB PAR SHOG (3x)

May I become a buddha to benefit transmigratory beings. (3x)

Think strongly that you have received the complete pure set of bodhisattva vows. Those vows that were broken are now restored, and those that were kept are strengthened.

Renewing the Tantric Vows

To be recited only by those who have taken these vows.

Generate a good motivation for renewing the tantric vows by thinking, for example:

“Even if I practice the paramitayana path, it will take me three countless great eons to achieve enlightenment. For myself, no matter how long it takes and no matter how difficult it is, that doesn’t matter, but it means that my kind mother sentient beings will have to continue to suffer so much and wait so long. Therefore, I must achieve enlightenment as quickly as possible, and in order to do this, I need to take the tantric vows and keep them pure. Therefore, I’m going to retake the tantric vows.”

For all three repetitions:

SANG GYÄ JANG CHHUB SEM PA KÜN / DAG LA GONG PAR DZÄ DU SÖL

All buddhas and bodhisattvas, please listen to me.

DAG [say your tantric name] ZHE GYI WA NI / DÜ DI NÄ NI ZUNG NÄ NI

**I, [say your tantric name], from now until I reach the essence
of enlightenment,**

JANG CHHUB NYING POR CHHI KYI BAR / JI TAR DÜ SUM GÖN PO NAM

Will generate the holy, peerless bodhichitta,

JANG CHHUB TU NI NGE DZÄ PÄI / JANG CHHUB SEM NI LA NA ME

**Just as all buddhas of the three times have ensured themselves
of enlightenment**

DAM PA DAG GI KYE PAR GYI

By generating it.

Recite this for the first repetition only (or omit these lines and do all three repetitions with RIG NGA CHI TANG... “I will uphold all the general...” below).

TSHÜL THRIM KYI NI LAB PA DANG / GE WÄI CHHÖ NI DÜ PA DANG

I will uphold the vows arising from the yogas of the Buddha type;

SEM CHÄN DÖN JE TSHÜL THRIM SUM / SO SOR TÄN POR DAG GI ZUNG

**I will individually and firmly observe the three moralities
of training in morality,**

SANG GYÄ CHHÖ DANG GE DÜN TE / LA NA ME PÄI KÖN CHHOG SUM

**Gathering virtuous qualities, and enacting the purpose
of sentient beings,**

SANG GYÄ NÄL JOR LÄ KYE PÄI / DOM PA DENG NÄ DAG GI ZUNG

And I will rely on the peerless Three Rare Sublime Ones –

Buddha, Dharma, and Sangha. (Vairochana)

DOR JE RIG CHHOG CHHEN PO YI / DOR JE DRIL BU CHHAG GYA YANG

**I will correctly uphold the vajra, bell, and mudra of the great
supreme Vajra type,**

YANG DAG NYI DU ZUNG WAR GYI / LOB PÖN DAG KYANG ZUNG WAR GYI

As well as honor my teachers. (Akshobhya)

RIN CHHEN RIG CHHOG CHHEN PO YI / DAM TSHIG YI DU ONG WA LA

For the delightful commitments of the great, supreme Ratna type,

NYIN RE ZHIN NI DÜ DRUG TU / JIN PA NAM ZHI TAG TU JIN

**I will practice the four types of generosity every day
at the six times. (*Ratnasambhava*)**

JANG CHHUB CHHEN PO LÄ JUNG WÄI / PÄ MÄI RIG CHHEN DAG PA LA

**For the pure, great Padma type, which arose from
great enlightenment,**

CHHI DANG SANG WA THEG PA SUM / DAM CHHÖ SO SOR ZUNG WAR GYI

**I will uphold the holy Dharma of the outer, secret,
and three vehicles. (*Amitabha*)**

LÄ KYI RIG CHHOG CHHEN PO LA / DOM PA THAM CHÄ DÄN PAR NI

**For the great, supreme Karma type, I will correctly
and individually uphold all these vows**

YANG DAG NYI DU SO SOR ZUNG / CHHÖ PÄI LÄ NI CHI NÜ GYI

And make as many offerings as possible. (*Amoghasiddhi*)

JANG CHHUB SEM NI LA NA ME / DAM PA DAG GI KYE PAR GYI

I will generate the holy, peerless bodhichitta.

SEM CHÄN KÜN GYI DÖN GYI CHHIR / DAG GI DOM PA MA LÜ ZUNG

**I will uphold all my vows without exception for the welfare
of all sentient beings.**

Recite this for the second and third repetitions in place of the longer version above. Alternatively, this verse may be used for all three repetitions:

RIG NGA CHI TANG SO SOR YI / DAM TSIG DOM PA MA LÜ SUNG

**I will uphold all the general and specific vows and commitments
of the five types of buddhas without exception.**

Recite this for all three repetitions:

MA DRÄL WA NAM DAG GI DRÄL / MA DRÖL WA NAM DAG GI DRÖL

I will deliver those not delivered, liberate those not liberated,

UG MA CHHIN PA UG YUNG ZHING / SEM CHÄN NYA NGÄN DÄ LA GÖ

**Give breath to those unable to breathe, and place all beings
in the state beyond sorrow.**

Think strongly that the vows that were broken have been restored, and those that were kept have been strengthened.

For **LC 38**, turn to p. 45.

Purification Practices

When the lam-rim lineage gurus, such as Kachen Yeshe Gyältsen, did the *Lama Chöpa* practice, they practiced Samayavajra one day and Vajrasattva the next. If you have received a highest yoga tantra empowerment, you can also do the four empowerments with Vajrasattva or Samayavajra.

Samayavajra (Damtsig Dorje) Practice

Taking Refuge and Generating Bodhichitta

SANG GYÄ CHHÖ DANG TSHOG KYI CHHOG NAM LA

I take refuge until I am enlightened

JANG CHHUB BAR DU DAG NI KYAB SU CHHI

In the Buddha, the Dharma, and the Supreme Assembly.

DAG GI JIN SOG GYI PÄI TSHOG NAM KYI

By my merits of generosity and so forth,

DRO LA PHÄN CHHIR SANG GYÄ DRUB PAR SHOG (3x)

May I become a buddha to benefit transmigratory beings. (3x)

The practice of Samayavajra is a powerful practice to purify, in particular, the negative karma collected in relation to the Guru. Visualize Samayavajra in your heart or above your crown, whichever is more comfortable (however, if you haven't received the initiation, visualize Samayavajra above your crown). Out of their compassion, all your gurus manifest as Samayavajra so that you can purify all the negative karmas of having broken and degenerated your samayas, especially the tantric samayas.

I visualize myself clearly as my yidam. At my heart is a variegated lotus and moon mandala. On them is a green syllable HA, which transforms into a sword adorned with HA inside the handle.

The sword transforms into Samayavajra, who has a green holy body with three faces – green, black, and white – and six arms. His first two hands embrace the wisdom mother who is similar in aspect. His second right hand holds a vajra; his third, a sword. His second left hand holds a bell; his third, a lotus. The wisdom mother holds the same implements. Both the wisdom father and wisdom mother are adorned with various jewel ornaments. At each of their crowns is OM, at their throats AH, and at their hearts HUM.

At the heart of Samayavajra is a moon disk. On it is a variegated double vajra, lying flat. In its center is a green HA encircled by the mantra. From the HA and the mantra, white nectar flows out through the hollow prongs of the double vajra, filling and blessing my whole body and purifying all samayas degenerated due to carelessness, and all negative karmas and obscurations collected with my three doors.

OM AH PRAJNA DHRIK HA HUM (108x)

Guru Samayavajra then says: “All your negative karmas, obscurations, and degenerated samayas are completely purified.”

Generate strong faith that exactly what Samayavajra says has happened in reality: your mental continuum has become completely pure. Not the slightest obscuration is left. Even the heaviest negative karmas collected in relation to the Guru have been purified.

[Only for those with a highest yoga tantra empowerment: Guru Samayavajra is very pleased and absorbs into the indestructible drop at your heart, your own subtle mind-wind.] Your body, speech, and mind become oneness with Samayavajra’s holy body,

holy speech, and holy mind. Meditate on the emptiness of the three circles: yourself (the creator of negative karma), the action of collecting negative karma, and the negative karma that was collected are all empty of existing by way of their own nature.

With the awareness of emptiness and dependent arising, dedicate the merits: yourself (the dedicating), the action of dedicating, and the merits that are dedicated are all merely imputed by the mind.

Dedication

Due to this virtue, may I and all sentient beings be guided by the Guru-Deity. From now until enlightenment is achieved, may I and all others be protected by the Guru-Deity and keep every samaya of the Guru-Deity.

Vajrasattva (Dorje Sempa) Practice

Taking Refuge and Generating Bodhichitta

SANG GYÄ CHHÖ DANG TSHOG KYI CHHOG NAM LA

I take refuge until I am enlightened

JANG CHHUB BAR DU DAG NI KYAB SU CHHI

In the Buddha, the Dharma, and the Supreme Assembly.

DAG GI JIN SOG GYI PÄI TSHOG NAM KYI

By my merits of generosity and so forth,

DRO LA PHÄN CHHIR SANG GYÄ DRUB PAR SHOG (3x)

May I become a buddha to benefit transmigratory beings. (3x)

On the crown of my head, a syllable PAM transforms into a lotus, and an AH into a moon cushion. Upon these, from HUM emerges a white five-prong vajra, marked at its center by a HUM. From the HUM, light shines forth and the two purposes are accomplished. The light returns and the vajra transforms into white Vajrasattva

with one face and two hands holding a vajra and bell. Seated in the vajra position, he embraces the wisdom mother, white Vajra Prabhavati, who has one face and two hands holding a curved knife and skullcup. Both are adorned with silks and various jewel ornaments. At their crowns is an OM, at their throats an AH, and at their hearts a HUM. On the moon disk at his heart stands the syllable HUM encircled by the hundred-syllable mantra.

“Bhagavan Vajrasattva, please clear away all the negative karmas and obscurations of myself and all sentient beings and purify all degenerated and broken commitments.”

Having been thus requested, light shines forth from the HUM and the mantra rosary at Vajrasattva’s heart, completing the two purposes: purifying the negative karmas and obscurations of all sentient beings, and presenting offerings to the buddhas and their sons. All enlightened qualities of their holy body, speech, and mind collect in the form of light and absorb into the mantra rosary and HUM. Thereby, a stream of white nectar flows down from these, entering the crown of my head and filling my whole body, completely purifying all my negative karmas and obscurations of body, speech, and mind.

Mantra Recitation

OM VAJRASATTVA SAMAYA MANUPALAYA / VAJRASATTVA
 TVENOPATISHTHA / DRIDHO ME BHAVA / SUTOSHYO ME
 BHAVA / SUPOSHYO ME BHAVA / ANURAKTO ME BHAVA /

 CHAME / CHITTAM SHRIYAM KURU HUM / HA HA HA HA HO /
 BHAGAVAN SARVA TATHAGATA / VAJRA MAME MUNCHA /
 VAJRA BHAVA MAHA SAMAYA SATTVA AH HUM PHAT (28x)

“Through ignorance and delusion, I have broken and degenerated my commitments. Guru, be my savior and refuge. Lord, holder of the vajra, endowed with great compassion, in you, the foremost of beings, I take refuge.”

Then Vajrasattva replies, “Son of the lineage, your negative karmas, obscurations, and all broken and degenerated commitments are now cleansed and purified.”

Think: “I vow never again to commit those negative actions from which I can easily abstain. I vow not to commit the negative actions from which I find it difficult to abstain for ___ (*mention how long you can realistically refrain from doing these negative actions*).”

Vajrasattva absorbs into me, and my three doors become inseparable from Vajrasattva’s holy body, speech, and mind.

In emptiness, there is no I (the creator of negative karma), no action of creating negative karma, and no negative karma created.

Dedication

Due to this virtue, may I quickly
Become Vajrasattva,
And lead all transmigratory beings
Without exception to that state.

Special Request to the Gurus

In a group practice, turn to the “Requesting by Means of the Holy Name Mantra” on the next page.

When using a mandala set in your personal practice, repeat “Taking Refuge and Generating Bodhichitta,” “Short Mandala of Seven Heaps,” “Nine-Line Migtsema,” and IDAM GURU RATNA MANDALAKAM NIRYATAYAMI a number of times, substituting LA MA SANG GYÄ / “Guru-Buddha” in the “Nine-Line Migtsema” with: (1) “Tenzin Gyatso” for His Holiness the Dalai Lama; (2) the name of your root Guru, for example, “Thubten Zopa”; (3) the names of your other gurus – one per repetition – and/or, (4) LA MA SANG GYÄ (or Guru-Buddha) for all remaining gurus. Conclude the practice with “Requesting, Purifying, and Receiving Blessings” (p. 51).

Due to having made these requests, five-color nectar along with beams of light flow forth from the holy bodies of the Guru and the host of deities, entering my body and mind and those of all sentient beings.

All [diseases, spirit harms,] negative karmas, and obscurations collected from beginningless time and especially all the negative karmas, obscurations, [and degenerated samayas] created in relation to the Guru, such as giving harm to the holy body, disobeying the advice, and disturbing the holy mind of the glorious Guru, generating nondevotional thoughts about the Guru, criticizing the Guru, giving the Guru up, and so forth, are dispelled from the doors of our senses and all our pores in the form of liquid smoke and liquid soot. We are completely purified.

Our bodies become the nature of light, transparent and clear. Our life spans, merits, and all qualities of scriptural learning and realization are developed fully. In particular, all the blessings of the glorious Guru's holy body, holy speech, and holy mind enter my body and mind, and those of all sentient beings. I and all sentient beings are now under the protection of the glorious Guru.

Requesting Prayer to the Lam-Rim Lineage Gurus (from Jorchö)

When recited with Pabongkha Dechen Nyingpo's tune, the last line of each verse is repeated twice. With the first recitation, white purifying light flows from the Guru into you. With the second, you receive all the qualities of the Guru. When recited with the tune of His Holiness' Namgyal Monastery, the last line is recited only once.

Practicing Guru Devotion with the Nine Attitudes¹⁸

In order to quickly set all my mother sentient beings, who have protected me with kindness from beginningless lives in cyclic existence, in the state of a complete buddha, I myself must attain the perfectly complete state of a buddha. Therefore, I will practice the nine attitudes for resolutely considering and seeing my virtuous friend to be a buddha and carrying out his orders.

4. LA MA TEN DÜ DUG NGÄL CHI JUNG KYANG

May I be like a mountain, immovable.

5. NGÄN LÄ THAM CHÄ NYAM SU LEN GÖ KYANG

May I be like a servant of the king, with a mind undisturbed.

6. NGA GYÄL PANG NÄ LA MA NAM LÄ RANG

Having abandoned pride, holding myself

MA WAR DZIN PA CHHAG DAR TA BU JA

Lower than the guru, may I be like a sweeper.

7. LA MÄI KU DÖN JA KÄ KHUR TSI WA

May I be like a rope, joyfully holding the Guru's work,

8. LA MÄ NYÄ SHING SHE LA TSHANG DRÜ KYANG

Even when the Guru criticizes, provokes or ignores me,

May I be like a dog, never responding with anger.

9. LA MÄI DÖN DU DRO ZHING ONG WA LA

May I be like a ferry boat, never upset

NAM YANG KYO WA ME PA DRU TAR JA

At any time to come and go for the Guru.

PÄL DÄN TSA WÄI LA MA RIN PO CHHE

Glorious and precious root Guru,

DAG GI DE TAR NÜ PAR JIN GYI LOB

Please bless me to be able to practice in this way.

DENG NÄ ZUNG TE TSHE RAB THAM CHÄ DU

From now on and in all my future lives,

GE WÄI SHE NYEN DE TAR TEN PAR SHOG

May I be able to devote myself to the virtuous friend

in this way.

If you recite these words aloud and mentally reflect on their meaning, you will have the good fortune to be able to devote yourself correctly to a virtuous friend in life after life.

If, with these nine attitudes, you serve and respect the virtuous friend, even if you do not practice intentionally, you will naturally develop excellent qualities within your mindstream and complete the extensive merits of virtue, thereby quickly becoming a perfectly complete buddha.

Dissolution according to *Lama Chöpa*: Visualize that your gurus absorb into the root guru, the lineage gurus of the vast and profound practices into Maitreya and Manjushri, and those of the experiential lineage into Vajradhara, so that finally there are five gurus. Maitreya absorbs into the right arm of Lama Losang Thubwang Dorje Chang, Manjushri into the left, Vajradhara into the crown, the root guru into the heart. The merit field dissolves from below into Lama Losang Thubwang Dorje Chang who descends to your crown. Then visualize nectars descending, and make requests to him.³⁶

For instructions on the dissolution of the merit field according to *Jorchö* and some additional prayers, turn to p. 130.

Dedication for the End of All Guru Yoga Practices

Due to all the merits of the three times collected by me, the number-less buddhas, and the numberless sentient beings, may I, my family members, all those who rely upon me, all those for whom I have promised to pray, all those whose names have been given to me, all the students, benefactors, and volunteers in the FPMT organization, and all sentient beings be able to meet perfectly qualified Mahayana virtuous friends in all our future lives. From our side, may we always see them as enlightened, may we always do only actions most pleasing to their holy minds, and may we always fulfill their holy wishes instantly.

Conclude this practice with various dedication prayers as desired and as time allows.

As the tsog offering is being distributed, the dedications for the puja and the names of the puja sponsors can be read. Long life prayers and protector prayers can then be recited. However, if there are no lamas present, the long life prayers can also be recited at the end of the puja. Other practices, such as the “Praises to the Twenty-One Taras” or the *Heart Sutra*, can also be recited here.

After tasting the tsog, continue with the “Song of the Spring Queen” below. Once the tsog has been distributed, collect a little bit from each person for the leftover tsog offering. Then add an untouched portion of tsog, taken from the altar, to the plate of leftover tsog.

Ten Innermost Jewels of the Kadampa Geshes

By merely keeping the ten innermost jewels of the Kadampas in your heart, the fortress of delusion collapses, the ship of evil negative karma disintegrates, and you will reach the very blissful ground of remedy. Therefore, if you have these ten innermost jewels, you will achieve liberation and enlightenment quickly and without hardship; and, by the way, you will attain the happiness of this and all future lives.

The comments that appear between the verses are excerpted from Lama Zopa Rinpoche's oral commentary.

Appendix 4

Dissolution of the Merit Field According to *Lama Chöpa Jorchö*

Pabongka Rinpoche's commentary to *Jorchö*, found in *Liberation in the Palm of Your Hand*, describes the process of dissolution as follows:

Visualize that light rays stream forth from Guru Vajradhara's heart and illuminate the other figures. Then, rather like the evaporation of condensation on a mirror, the lower figures in the merit field – that is, the four maharajas and so forth – withdraw progressively into the higher figures; this happens as far as the deities standing on the four petals of the topmost lotus.

These four deities withdraw into the Vajradhara figure at Buddha Shakyamuni's heart. The Profound View lineage gurus withdraw into Guru Manjushri; those of the Extensive Deeds, into Guru Maitreya; those of the Consecrated Practices, into Guru Vajradhara; and your personal gurus, from whom you received teachings, withdraw into the figure of your root Guru in his everyday form – the one in which you normally see him. Think to yourself while maintaining the clarity of your visualization, "How fortunate I am to have actually seen these buddhas and bodhisattvas."

Maitreya and Manjushri then dissolve into light, which dissolves into the main figure. Vajradhara dissolves into the main figure as a wisdom being. The figure of your root Guru in his normal aspect should not, however, dissolve into light – this would be an

inauspicious gesture while he is still alive. So, whether he is still alive or not, he dissolves into the Vajradhara at the main figure's heart as one would push a grain of barley into a pat of butter. The wish-granting tree, lion throne and all, dissolve into the lotus base of the main figure. The main figure itself then dissolves into light, which in turn dissolves into your guru sitting on the crown of your head.

Then the lotus base used by the main figure dissolves into your Guru's lotus base on your crown.

Next, visualize that your root Guru on your head turns into our teacher, Shakyamuni; regard him as the embodiment of all refuges, and perform for him a short seven-limbed prayer and world-mandala offering. Then, make fervent petitions solely to your Guru. Stick to making these petitions to only one Guru – rather like being tethered to one spot by means of a peg driven into the ground. Don't feel it might be better to make the petition to someone else. It is pointless to make this petition to many people.

Make the petition as you would do to the embodiment of the Three Rare Sublime Ones and of all refuges.

Either do the following prayers from *Jorchö* and then the “Requesting Prayer Planting a Stake,” or go directly to the “Requesting Prayer Planting a Stake” on p. 93.

Notes:

1. These following additional prayers have been added from *Jorčö*, in accordance with the tradition of Pabongka Rinpoche and based on the advice of Lama Zopa Rinpoche: “Visualizing the Objects of Refuge” (p. 5), “Taking Refuge and Generating Bodhichitta” (p. 8), “The Four Immeasurable Thoughts” (p. 9), “Bath Offering” (p. 14), “Requesting Prayer to the Lam-Rim Lineage Gurus” (p. 52), and “Requesting Prayer Planting a Stake” (p. 93).
2. Lama Zopa Rinpoche advised to change SO NAM (Tib. *gsod rnam*) in the third line to TSHOG NAM (Tib. *tshogs rnam*) in accordance with the advice of His Holiness the Dalai Lama, and to translate TSHOG NAM as “merits,” rather than the commonly used translation of “accumulation/collections.” Rinpoche explains that the two types of merits are the merit of virtue and the merit of wisdom (often respectively translated as the accumulation of merit and the accumulation of wisdom).
3. Lama Zopa Rinpoche gave this advice at Amitabha Buddhist Centre, Singapore, March 2016.
4. Lama Zopa Rinpoche gave the instruction to include this version of the “Abbreviated Self Generation,” in Bendigo, Australia, September-October 2014.
5. Lama Zopa Rinpoche prefers to translate YUM (Tib. *yum*) as “wisdom mother” rather than “consort” because “consort” has the connotation of either an ordinary woman or one still on the path, whereas a wisdom mother has achieved enlightenment.
6. Kyabje Pabongkha Dechen Nyingpo advised to reverse the order of these two verses so that **LC 16** comes before **LC 15**.
7. This bath offering verse, which is a modified form of the verse to Lama Zopa Rinpoche found in the “Requesting Prayer to the Lam-Rim Lineage Gurus,” was added in consultation with Geshe Losang Sherab, the chant leader at Kopan Monastery, Nepal, May 2016.
8. Lama Zopa Rinpoche advised to change the word “robes” to “divine dress.”
9. “Requesting Prayer by the Fifth Dalai Lama” added by Lama Zopa Rinpoche.
10. The Tibetan number *bzhi brgya rtsa bzhi* is variously interpreted to be 400, 404, and 424. *Mirror of Beryl: A Historical Introduction to Tibetan Medicine* (Desi Sangye Gyatso, Wisdom Publications, 2010) says: “Since time without beginning living beings have been tormented by the five poisonous mental afflictions and have thereby accumulated a great store of black karma. When the fruits of these actions come into contact with a variety of immediate conditions and circumstances, they bring about disturbances in the four constituents, 84 resulting in illness. These illnesses have been classified as fourfold: 101 ailments that disappear by themselves and need no treatment, 101 illnesses caused by spirits that are cured when treated, 101 illnesses that are cured if treated but not if left untreated, and 101 illnesses that even

treatment cannot cure. The treatments for these illnesses free living beings from the noose of Yama, the lord of death, thereby bestowing on all beings the powerful gift of fearlessness.”

11. The full name of the *Heruka Lama Chöpa*, as translated by Jamyang Wangmo (Helly G. Pelaez Bozzi), is: *The Cooling Nectar Drop of the Oral Lineage: The Profound Path of the Ritual Offering to the Lama, who is the Inseparability of Bliss and Emptiness, Together with the Ritual Practice of the Glorious Chakrasamvara*.
12. The “Special Request for the Three Great Purposes” is found in the *Heruka Lama Chöpa*, and in Pabongkha Rinpoche’s *A Storehouse of a Precious Treasure of Instructions*. The full version is added here in accordance with the advice of Lama Zopa Rinpoche. A sutra version of this request is found in *Jorcho*.
13. Lama Zopa Rinpoche gave the instruction to replace the previous version of the verse for His Holiness, which was incorrect, with this particular verse to FPMT Education Services, May 2016.
14. With the exception of the Vajrayogini mantra, the tradition to recite the mantras in this order comes from Geshe Senge, a former abbott of Sera Je, Lhasa, as a way to integrate the three deities.
15. The original version of this mantra is: OM AH GURU VAJRADHARA VAGINDRA SUMATI SHASANA DHARA SAMUDRA SHRI BHADRA SARVA SIDDHI HUM HUM. Lama Zopa Rinpoche now uses this extended version, which contains the full name of His Holiness the Dalai Lama - Jetsün Jampäl Ngawang Losang Yeshe Tenzin Gyatso Päl Sangpo - translated into Sanskrit as BHATTARAK MANJUSHRI VAGINDRA SUMATI JNANA SHASANA DHARA SAMUDRA SHRI BHADRA.
16. Lama Zopa Rinpoche gave the instruction to combine the mantras of Heruka father and mother in Bendigo, Australia, September-October 2014.
17. The mantra of Vajradhara appears in *Heruka Lama Chöpa* as OM AH VAJRADHARA HUM HUM.
18. “Practicing Guru Devotion with the Nine Attitudes” is added here based on the advice of Lama Zopa Rinpoche.
19. It has been suggested to change “son” to “child.” However, according to Lama Zopa Rinpoche: “The term ‘son’ is not used in dependence upon the characteristics of the body, but of the mind. This term is used because it is normally the son who becomes the king. The daughter becomes the queen, but does not become the king. Because this example is applied here, the disciple is called ‘the son of the vajra master,’ but it has nothing to do with the body.”
20. Lama Zopa Rinpoche gave this advice in Bendigo, Australia, September-October 2014.
21. Lama Zopa Rinpoche gave this advice at Light of the Path, North Carolina, USA, 2014.

22. Some Tibetan versions of the “Eight Verses of Thought Transformation” end each verse with SHOG (Tib. *shog*), meaning “May I,” while others end each verse with LAB (Tib. *bslab*), meaning “I shall practice” or “I shall train.” The latter version is included here in accordance with how it occurs in the text *One Hundred Thought Transformations* (Tib. *blo sbyong bryga rtsa*), as this is Lama Zopa Rinpoche’s preference (Light of the Path, North Carolina, USA, 2009 and 2014). However, Rinpoche says that it is even better to say “I am going to do it,” therefore *bslab* has been translated here simply as “I shall.” See *Mind Training: The Great Collection*, translated by Thupten Jinpa (Wisdom Publications, 2006).

Original Colophon:

I, Jamphäl Lhundrub, one who clothes himself as a disciple of the Leader (Buddha Shakyamuni) during the final era [of his teaching], have composed this recitation text after much urging from Kälden Rabgye, the chanting master emeritus of Bamchö. This fervent devotee of discerning intellect expressed the need for a ritual that would facilitate carrying out the preliminary practices prior to meditating on the instruction contained in the *Quick Path to Omniscience: An Explicit Instruction on*

the Stages of the Path to Enlightenment. Thus, I have written such a text for my own regular use and also with the hope of benefiting others of a like nature. Its sources are oral tradition and the instruction of the glorious and noble Kyabje Kälsang Tenzin and his spiritual son [Tenzin Khedrub]. These incomparably beneficent Conqueror's sons are lamps for the Kadampa teaching. May [this work] become a victory banner upholding the precious Oral Transmission Lineage teaching of Jamgön [Lama Tsongkhapa Losang Dragpa]. Let there be happiness everywhere. (Colophon cited from *Liberation in Our Hands*, by Pabongkha Rinpoche, Mahayana Sutra and Tantra Press, Howell, New Jersey, 1990.)

Publisher's Colophon:

The translation of the verses from *Jorchö* that are interspersed with the verses of *Lama Chöpa* is based on the oral teachings of Lama Zopa Rinpoche, and was taken from a publication of *Jorchö* published by Kopan Monastery, Nepal.

Lama Chöpa (Ritual Offering to the Guru) (Zab lam bla ma mchod pa'i cho ga bde stong dbyer med ma; bla ma mchod pa):

Original Colophon:

This ritual of *Lama Chöpa* (*bla ma mchod pa*) was composed due to the repeated requests of Vinaya Holder Chökyi Dragpa and Losang Phuntsog, who said that a text like this was needed. Shakya Bhikshu Losang Chökyi Gyältsän (*blo bzang chos kyi rgyal mtshan*) looked at many *Lama Chöpa* texts such as those by Drubchen Ling, Panglo Chenpo, many great virtuous friends of the Sakya tradition, Omniscient Gendun Gyatso, and Greatly Learned Khenpo Rinpoche Sangye Yeshe, as well as those composed by lamas, both high and low, of various schools. Having thoroughly understood their meanings, he then condensed all of their excellent parts, added and removed words exactly in accordance with the instructions of the holy sutras and tantras, and made it easy to understand. The work was composed on the top floor of the Gyältsän Thonpo residence at the Dharma college of Tashilhunpo.

The translation of verses **LC 1-54** was compiled in September 1996 by Gelong Thubten Dondrub (Neil Huston) by relying on previous translations by Alexander Berzin, Martin Willson, Geshe Thupten Jinpa, and original contributions by the editor. It was revised in August 2000 and again in February 2001. The translation of the remaining verses (**LC 84-122**) is unknown; however it is likely that it was also drawn from several sources. The outline points and headings were added from the original translation by Martin Willson that appeared in *Rites and Prayers*, Wisdom Publications, 1985. The translation of the *Lama Chöpa* verses was checked and corrected, at the request of FPMT Education Services, by Ven. Fedor Stracke, December 2008. Changes to terminology suggested by Lama Zopa Rinpoche, mainly during teachings given in 2014, inserted by Ven. Joan Nicell and

Merry Colony, January 2015. Verse **LC 33** retranslated by Ven. Joan Nicell and checked by Joona Repo, FPMT Translation Services, June 2016.

Ten Innermost Jewels of the Kadampa Geshes (Dka' gdams phugs nor bcu): Original Colophon:

This speech, imbued with blessings of the yogi-scholar Zhabkar Tshogdrug Rangdröl, was lightly edited by the humble, ignorant beggar without Dharma, named in this life Thubten Zopa. It was written with the thought that, if I and those who are like me, when reciting the “Lam-Rim Prayer” in the *Lama Chöpa*, were to recite these words after the verse that starts “Realizing how this body of freedoms and endowments...” (**LC 85**), it would benefit us by inspiring Dharma in our mindstreams. By this, may all transmigratory beings be liberated from the bondage of the eight worldly dharmas and quickly attain highest, complete enlightenment. It would also be good to recite this when teaching other lam-rim texts.
